

# Pirouette® Window Shadings

HunterDouglas 

## Master Your Own Environment

### PIROUETTE® WINDOW SHADINGS

- Flatten the vanes for a smooth, contemporary finish.
- Slightly raise the vanes for a gentle contoured look, while still maintaining privacy.
- Fully open the vanes to provide a clear view to the outside through the sheer.
- 6 distinctive core-line fabrics and two beautiful Alustra® fabrics available.

## Product Features and Benefits

- Precise light control
- Superior view-through
- Complete versatility
- Two vane sizes: 4" Petite and 5" Grande
- All fabrics, colors and vane sizes available in both room-darkening and semi-opaque opacities
- Choice of 4 proven operating systems
  - › EasyRise™
  - › **NEW** UltraGlide®
  - › **NEW** SoftTouch™ Motorization
  - › PowerView® Motorization

## New UltraGlide® Operating System

- Innovative wand design
- New gravity drop system
- Enhanced child safety
- Intuitive and easy to use

## Pirouette® Window Shadings with SoftTouch™ Motorization

- SoftTouch™ Motorization is a battery-powered system designed for intuitive wand-controlled shading operation.
- Gently pull down to lower your shadings and slightly push up to raise them.
- Provides easy click-and-drop operation.
- Superior child safety with no exposed cords.
- Battery life up to two years (dependent on shading size and usage).
- Set “favorite” to quickly go to your favorite shading position.
- Not compatible with PowerView® Motorization.

## Visible Color and Texture

### THE UNIQUE PIROUETTE® FABRIC COLLECTION

- **Satin**—a smooth fabric with a luxurious, semi-formal feel; available in 24 colors.
- **Satin Metallic**—sleek and subtle with an unexpected shimmer.
- **Shantung**—offers the look and feel of raw silk with an extraordinary sheen.
- **Linen**—a light and timeless fabric that creates a casual ambiance and finely filtered light.
- **India Silk**—a softly slubbed, silk-inspired fabric with a subtle sheen.
- **Stria**—a light, sophisticated fabric with crisp clean lines. Coordinates with Luminette® Privacy Sheers.
- **Alustra® Valencia**—a natural, linen-inspired fabric with a unique, heathered weave.
- **Alustra Charmeuse**—an exclusive fabric with a refined texture and subtle sheen that creates a captivating ambiance in a room.
