

Provenance[®] Woven Wood Shades

HunterDouglas 

Fabrics

DISTINCTIVE FABRIC COLLECTION

- Unique texture only Mother Nature can provide.
- Lightweight, airy weaves.
- Variety of opacities from sheer to opaque.
- Opening price-points.
- Hottest color trends: whites, grays, light neutrals, gold tones, pearl/metallic paints, and color pops.
- Majority of our fabrics are available in wide widths (up to 118") to accommodate all home's windows.

Provenance® Woven Wood Shades

Provenance® Woven Wood Shades bring an organic style to your home. The handcrafted natural materials are artistically woven together to create a design story of light, texture and color for every window in your home.

POWerview® MOTORIZATION

The next generation of technology from Hunter Douglas—PowerView Motorization enables intelligent operation of Provenance® Woven Wood Shades.

Traditional Headrail

Natural wood headrail available in standard or turned orientation for small mounting depths.

OPERATING SYSTEMS

- Standard cordlock

SHADE STYLES

- Roman
- Angle Top Roman
- Waterfall Roman

SPECIALTY OPTIONS

- Two-On-One Headrail
- Three-On-One Headrail
- Attached Duo Liner

Vertical Drapery

Patented dual-channel, single-track design provides smooth functionality for the fabric folds while maintaining a sleek, minimal profile.

OPERATING SYSTEMS

- PowerView® Motorization
- Continuous cord loop
- Wand control

FEATURES

- Optional attached liner
- Side or split stack configuration
- Featuring an 8" valance length, in addition to the 6½" and 12" options

Valance Options

ROMAN VALANCE

- Features a relaxed profile while reducing light gap. The valance face does not affix to the returns giving a more fluid look as the shade is raised and lowered.
- Valance lengths include: 6½", 8", or 12".

THE MODERN VALANCE

- Modern and minimal styling.
- Offered on the Modern Headrail—comes standard unless another valance style is selected.
- Helps alleviate valance protruding forward on shades with large stacking depths.

CORNICE VALANCE

- This fabric-wrapped cornice provides a structured and tailored profile.
- Available on outside mount only.
- Available for Modern Headrail only.
- Lengths include: 6½" or 8".

Linens and Edge Banding

5 DUO COLOR LINERS OFFER:

- Off-white background to the street side and color to the front.
- Light-filtering and room-darkening opacities.

3 MONO COLOR LINERS OFFER:

- Color to both the street side and room side.
- Room-darkening opacity.

EDGE BANDING

- Provides stylish protection for your shade, available for all fabrics and shade styles.
- Highly recommended for grass fabrics.
- Available in 8 designer hues.
