

## NEOCON

The newly expanded and redesigned Steelcase Chicago WorkLife experience, which signals a new day in workplace design, has been awarded Best Large Showroom and Best of Competition at NeoCon 2018, North America's largest design exhibition and conference for commercial interiors. New products coming to our Showroom in 2018-19

The SILQ chair is a breakthrough in seating design. Its innovative nature is both mechanism and artistry. It delivers a personal experience that responds to the unique movements of your body.

Amia is a hardworking, versatile ergonomic office chair that adds an element of sophistication to any workspace.

Providing choice and control for 1-3 people, the IRYS pod is ideal for individual focused work or small-group combined work. The outer canopy provides a collaborative touchdown space. The refined aesthetic allows the pod to seamlessly blend into any existing space.

SnapCab, a Steelcase partner, answers the call with quiet stand-alone offices that are simple to install, can be personalized and are easy to relocate. With SnapCab Pod, convenience is at the ready. Enjoy a comfortable booth to answer calls, collaborate with others or rejuvenate without totally getting away.
