

Epson Business Inkjet Introducing the WorkForce® Pro WF-C4810

The Epson Advantage

Sustainable

Lowest power consumption in its class¹, designed to reduce waste with high-yield ink and virtually no replacement parts.

Reliable

Engineered with PrecisionCore Heat-Free Technology™ for heavy workloads and reduced downtime.

Productive

Maximize uptime with no warmup time and fewer interventions due to high-yield ink.

1 set of initial cartridges included

WorkForce® Pro WF-C4810 Color MFP
