The Opportunity

Join the award-winning RGO team—recognized as a Best Workplace in Alberta and one of Canada's Best Managed Companies—by stepping into the role of Service Technician, Technologies.

Reporting to the Director, Technologies, you'll play a key role in providing timely and correct service and maintenance for office equipment, including copiers and printers. This casual part-time remote role supports clients in Athabasca, Wabasca, and Fort McMurray, with the ideal candidate based in Athabasca or Fort McMurray.

What You Will Do

- Installing, configuring, and maintaining office equipment at client sites.
- Performing emergency and preventative maintenance calls both remotely and on-site.
- Troubleshooting mechanical, electronic, and IT-related issues.
- Integrating equipment into client networks across various operating systems.
- Managing parts, serial numbers, and service records for accurate invoicing and inventory.
- Staying current with product updates, firmware changes, and technical training.
- Building strong relationships with clients and identifying opportunities to support their goals.
- Coordinating with Dispatch and using remote tech tools for scheduling, parts ordering, and reporting.

What You Will Bring

- A diploma in Electronics Technology (2-year program preferred) or equivalent experience.
- 1–3 years of experience servicing office equipment (preferred).
- Certifications in hardware/software (an asset).
- Strong communication and interpersonal skills.

- Excellent problem-solving skills with the ability to think critically and resolve issues efficiently.
- A tech-savvy mindset with knowledge of Windows, Mac OS, Linux, and mobile platforms.
- Mechanical aptitude and the ability to troubleshoot and resolve technical issues independently.
- Physical ability to move equipment (up to 75 lbs solo, 400 lbs with assistance).
- A valid Alberta Driver's License, clean driving record, and access to a reliable personal vehicle.
- Willingness to travel within the service region and work independently at client sites.
- Successful completion of a pre-employment Health Assessment.
